## SPECIALTY CATEGORIES

### Behind the Scenes

A film or series that offers a sneak peek at the making of a campaign, program, or event.

### NEW Business Film

The next generation of Corporate Videos, these films establish emotional connections through a brand's history, mission, goals, and culture to humanize relationships with employees and consumers. Popular in service-based companies, business films are designed to convey trust and communicate transparency of work ethics by showcasing the internal workings of a company.

### Foreign Language

A film or series using a foreign language. Films can be submitted by international/multinational brands and agencies. Please include English subtitles.

### NEW Music

A film or series utilizing a musical event or performance to communicate a brand's message.

### NEW Nonprofit

A film or series produced to promote a not-for-profit organization, service, or facility.

*Entrants for Nonprofit categories receive a reduced entry fee.*

### Silent Film

A film or series that best gets its message across silently, such as in Facebook's content stream, and either works as a silent movie or encourages viewers to click through to an audio version.

### User-generated

A film or series created and submitted by consumers as part of a brand campaign, contest, or product launch.

### Viral

A film or series with a creative idea that produced the most buzz, including social shares, views, likes, tweets, and traditional media pickup

## CRAFT AND TECH CATEGORIES

Across these categories jurors will be looking at film craft and technical excellence.

### Direction

A film or series that showcases excellence in cinematic direction.

### Screenplay

A film or series that showcases the most original writing and storytelling.

### Cinematography

A film or series that showcases outstanding work in cinematography.

### Animation

A film or series with memorable and effective use of animation.

*Please note: We encourage you to provide a demo film showing the visual effects process and pre-effects as well as the final film.*

### Editing

A film or series that showcases the art and technique of film editing. Jurors will look for films where editing techniques can craft a vast library of raw footage into coherent sequences breathing life into a story.

### Lighting

A film or series that demonstrates expert use and handling of lighting in support of the story.

### Sound Design

A film or series that utilizes sound to amplify a scene or story. Can include Sound Editing, Design, or Sound Mixing.

### Visual Effects

A film or series that showcases outstanding work in visual effects. The jury will look at technical effectiveness and its integration into the film.

*Please note: We encourage you to provide a demo film showing the visual effects process and pre-effects as well as the final film.*

### 360, AR, VR and Emerging Tech

A film or series that utilizes an emerging technology in its creation or audience experience.

*Please note: When entering this category you will be asked to let us know how best to view your film. You can upload a .MP4 or .MOV file or give us a link or access to a VR-ready platform such as Vimeo 360 or Samsung Oculus app.*

## BEST OF THE BEST CATEGORIES

From the highest-scoring films entered we will award top prizes in grand jury-selected categories. Previous Best of the Best categories have included Most Creative and Best Film by a Brand.

### JUDGING

The jury is comprised of top creatives from the worlds of advertising, digital, production, PR, films, and media. Jurors will score against innovation, creativity, and effectiveness. Jurors may also consider business results or changes in behavior where relevant. When considering films entered into the craft and tech categories, jurors will look at film craft and technical excellence. Only the highest-scoring films will be officially selected to feature in the film festival on May 2, 2019. This means there may not be an officially selected film for every category.

### ENTRY REQUIREMENTS

- 1 Entries are open to any organization in North America, South America, Africa, Asia, and Australia. All films created by organizations in Europe must be entered into Brand Film Festival London:  
**www.brandfilmfestival.co.uk.**
- 2 The film or series must have been aired between January 1, 2018 and January 14, 2019\*.  
*\*A film cannot be entered into the 2019 Brand Film Festival if it was entered into the 2018 Brand Film Festival.*
- 3 When you are entering the specialty and craft and tech categories you will need to select the film length from the following:  
Mini-form: 0 - 30 seconds  
Short-form: 31 seconds - 10 minutes  
Long-form: Over 10 minutes
- 4 We encourage you to enter your film or series into a core category as well as the specialty and/or craft and tech categories. For films entered into additional categories there will be a discounted entry fee. For example, if you submit a film or series into three categories, the fee would be:  
 $\$449 + \$315 + \$315 = \$1079.$   
If you are submitting a film or series into multiple categories, please upload the film/s separately each time.
- 5 All entries must be submitted online at [www.brandfilmfestival.com](http://www.brandfilmfestival.com). You will need to upload the film and include a write-up of the film synopsis (300 words max) and write-up of the context of the film within the larger campaign activity (200 words max).
- 6 There is a section for you to submit confidential information that only the jurors will see (200 words max). Nothing written in this section of the form will be published.
- 7 All entries must be submitted and paid for online. You may input your entry information and save as a "draft" to return at a later date to submit payment. All films must be submitted and paid for by the entry deadline; January 14, 2019. Credit cards accepted include Visa, Mastercard, and American Express. Entries not paid for prior to judging will not be considered.
- 8 Please, no commercials. Though it resists easy definition, branded content typically focuses on a story rather than a brand, product, or service. Jurors reserve the right to reject any entry they feel does not meet this definition.
